

The **Faculty of Agriculture** at the **University of Bonn** invites applications for a
Full Professorship (W3) in “Plant Pathology”

to be appointed on a permanent basis at the earliest possible date.

We are seeking to appoint an internationally renowned leader with an established scientific, forward-looking profile in the field of plant-pathogen interactions. Research approaches should be mechanistic and preferentially targeted to systems and topics with agricultural relevance (e.g. early detection of plant diseases and their control, resistance mechanisms of plants against pathogens, or antagonists against plant pathogens). We expect a convincing link to locally established topics, such as those of the excellence initiative “PhenoRob”. Success in acquisition of third-party funding, and strong accomplishments within the respective projects is a precondition. The holder of the position is expected to teach Phytopathology at undergraduate and graduate levels.

The conditions of employment are according to § 36 *Hochschulgesetz NRW*.

The University of Bonn is committed to diversity and equal opportunity. It is certified as a family-friendly university and has a dual career program. It aims to increase the proportion of women in areas where women are underrepresented and to promote their careers in particular. It therefore urges women with relevant qualifications to apply. Applications will be handled in accordance with the *Landesgleichstellungsgesetz* (State Equality Act). Applications from suitable individuals with a certified serious disability and those of equal status are particularly welcome.

Applications in German or English language accompanied by supporting documentation (letter of interest, CV, certificates, credentials, list of publications, teaching activities / evaluation, and a short statement of research strategies) should be submitted by **September 15th, 2018** in electronic form as a single pdf-file to the **Dean of the Faculty of Agriculture, Rheinische Friedrich-Wilhelms-Universität Bonn, Meckenheimer Allee 174, 53115 Bonn, dekan@lwf.uni-bonn.de**.
